

Leadership starts with you.

And gains meaning through others.

For leaders who want to lead with greater awareness, confidence and humanity in an increasingly complex world.

SEE

What does the context require?

UNDERSTAND

What influences you?

DEVELOP

What do you want to strengthen?

APPLY

How will you act differently?

EMBED

How will it last?

FEARLESS LEADERSHIP

Lead yourself before you lead others.

Recognise what shapes your leadership, let go of limiting patterns and connect your values and talents to a conscious direction.

2.5 days • including overnight stay • small group

THE HUMAN FACTOR

Strengthen eight essential soft skills that shape how you connect, engage and make an impact as a leader.

Empathy • Connection • Inspiration • Focus • Style Flexibility • Situational Awareness • Trust • Professionalism

2 days • intensive and experiential

From personal leadership to impact.

Develop what the situation requires of you. • Choose, connect and act with awareness.
